Rewrite the lists in alphabetical order. Think about the joins.

<table>
<thead>
<tr>
<th>attractive</th>
<th>pretty</th>
<th>splendid</th>
<th>dreadful</th>
<th>unattractive</th>
<th>ugly</th>
<th>unpleasant</th>
</tr>
</thead>
<tbody>
<tr>
<td>beautiful</td>
<td>good-looking</td>
<td></td>
<td>spoilt</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

1.  
2.  
3.  
4.  
5.

Finish the word sums. Think about the joins.

\[\text{un} + \text{well} = \underline{\quad} \]

\[\text{un} + \text{tidy} = \underline{\quad} \]

\[\text{de} + \text{flate} = \underline{\quad} \]

\[\text{de} + \text{code} = \underline{\quad} \]

Write one more \textit{un} word and one more \textit{de} word.
