Headteacher – Mrs W Edwards MA, Deputy Headteachers – Mrs J Russell (Beamish), Mrs K Telfer (Pelton)

## Pelton Community Primary School Home Learning Support

During this period of time away from school, please encourage your child to continue their learning.

Reading every day is fun, will prevent any boredom setting in, and is a lovely way to spend time together. It would be wonderful to see a record of what your child has read once they return to school.

In addition to daily reading, it would be a good idea, where possible, to allocate some time each day to learning tasks.

Each class teacher has prepared a home learning pack for the children in their class. In addition to this, there are lots of fun and easy ways children can access a whole host of activities online via a laptop or tablet. Please see below for web-based learning that your child already has access to through school subscriptions:

Mathletics <https://login.mathletics.com/>

Times Tables Rockstars <https://trockstars.com/>

Maths Shed <https://www.mathshed.com/>

Spelling Shed <https://www.spellingshed.com/>

Fiction Express <https://en.fictionexpress.com/>

Reading Plus (Y 5 and Y 6 pupils) <https://student.readingplus.com/seereader/api/sec/login>

Purple Mash <https://www.purplemash.com/login/>

The children have usernames and passwords for these sites.

We would encourage all children to access the above sites most days, if possible.

In addition to the above, lots of online platforms are offering educational activities to families to support them when schools are closed. Many are offering free or trial periods of their resources however some do require you to log in or create a free account to access. Some activities can be done on screen, others may need to be printed and completed on paper. We are aware that some families may not use a printer at home therefore we have provided each child with a Home Learning Exercise Book which they can use to record any activities they complete offline.

Please see below for educational sites that we recommend:

### General

- <https://www.twinkl.co.uk/> - a huge range of different subjects. Countless resources and ideas for every subject and every age group. Go to [www.twinkl.co.uk/offer](https://www.twinkl.co.uk/offer). Enter CVDTWINKLHELPS to access the site for free.
- <https://www.bbc.co.uk/bitesize> - huge range of different resources and information broken down into Key Stages and year groups.  
<https://tpet.co.uk/> - free online resource packs.
- <https://www.doorwayonline.org.uk/> - interactive activities covering a whole range of subjects and year groups.
- <https://www.topmarks.co.uk/> - a huge treasure trove of activities that cover a whole range of subjects. Also holds links to games etc. that are hosted by other sites.
- <https://kids.classroomsecrets.co.uk> – an education site with a range of activities for children.
- <https://www.robinhoodmat.co.uk/learning-projects/> - comprehensive learning projects for all phases from EYFS to UKS2.
- <https://www.enchantedlearning.com/> - creative ideas for arts and crafts.
- <https://www.gonoodle.com/> - lots of online videos that help keep children active inside and also teach mindfulness and meditation.
- <https://www.typingclub.com/> - online programme for teaching and developing touch typing.

### English

- <https://www.phonicsplay.co.uk/> - free phonics activities for KS1.
