

Pelton Community Primary School Sports Premium Plan and School Improvement Plan 2022-2023 Evaluation

In 2021/2022 Pelton Community Primary School are receiving approximately **£19235.00** in Sport Premium. This document details how this will be allocated. Achieved objectives are highlighted along with the impact/sustainability and specific achievements detailed in **blue**. More information is in **bold**.

The Sport Premium funding has been provided by the government to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that our school will see an improvement against the following 5 key indicators:				
1. Increased confidence, knowledge and skills of all staff in teaching PE and sport	2. Engagement of all pupils in regular physical activity	3. The profile of PE and sport is raised across the school as a tool for whole school improvement.	4. Broader experience of a range of sports and activities offered to all pupils.	5. Increased participation in competitive sport.

* The Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

Programme or Initiative	Key Indicators					Outcomes	Cost	Impact and Sustainability
	1	2	3	4	5
