

Pelton Community Primary School Sports Premium Plan and School Improvement Plan 2023-2024

At Pelton Community Primary School, we encourage children to lead healthy lifestyles and enjoy PE and Sport. Through high quality teaching and sporting opportunities, children across all Key Stages are encouraged to take part in competition and aim for sporting excellence as well as achieving and building upon their personal goals and achievements. We encourage children to follow the school games values and apply these principles, such as determination and teamwork, to other subjects. In 2023/2024 Pelton Community Primary School are receiving **£18360.00** in Sport Premium. This document details how this will be allocated.

The Sport Premium funding has been provided by the government to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that our school will see an improvement against the following 5 key indicators:				
1. Increased confidence, knowledge and skills of all staff in teaching PE and sport	2. Engagement of all pupils in regular physical activity	3. The profile of PE and sport is raised across the school as a tool for whole school improvement.	4. Broader experience of a range of sports and activities offered to all pupils.	5. Increased participation in competitive sport.

* The Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
